

# Creating A Salesforce Developer Org

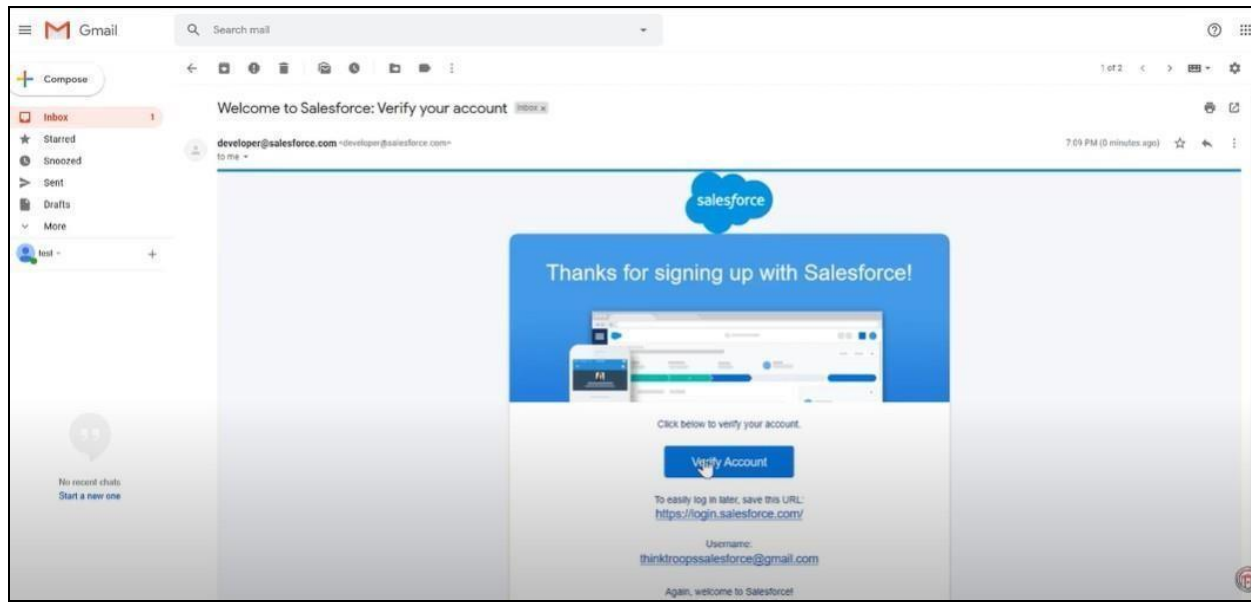

A Developer org has all the features and licenses you need to get started with Salesforce.

1. Search [Developer.salesforce.com/signup](https://developer.salesforce.com/signup)

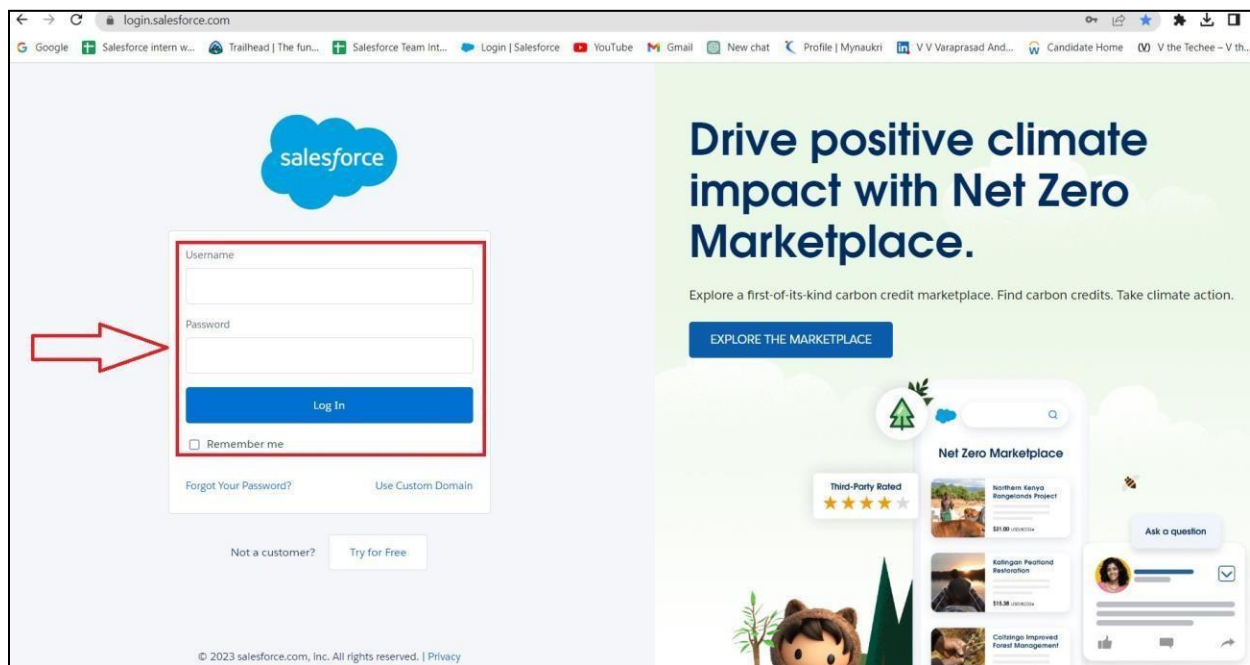

The screenshot shows the Salesforce Developer Edition sign-up page. On the left, there's a blue background with white text and icons. The text says "Build enterprise-quality apps fast to bring your ideas to life" and lists several bullet points: "Build apps fast with drag and drop tools", "Customize your data model with clicks", "Go further with Apex code", "Integrate with anything using powerful APIs", "Stay protected with enterprise-grade security", and "Customize UI with clicks or any leading-edge web framework". On the right, there's a white sign-up form with the Salesforce logo at the top. The form title is "Sign up for your Salesforce Developer Edition" with a subtitle "A full-featured copy of the Platform, for free". The form fields include: "First Name" (with a hint "Your first name"), "Last Name" (with a hint "Your last name"), "Email" (with a hint "Your email address"), "Role" (a dropdown menu with a hint "Your job role"), "Company" (with a hint "Company Name"), "Country/Region" (a dropdown menu with a hint "Select Country/Region"), "Postal Code" (with a hint "Your postal code"), and "Username" (with a hint "jane@company.sandbox"). Below the "Username" field, there's a note: "Your username must be in the form of an email address (it does not have to be real). It must be unique and cannot be associated with another Salesforce login credential. Read more about username recommendations." At the bottom of the form, there's a "Sign me up" button and a disclaimer: "By registering, you confirm you have read and agree to the Terms of Use and the Main Services Agreement and to the storing and processing of your personal data by Salesforce as described in the Privacy Statement, including use for marketing purposes."

2. Enter the following details like First name, last name, Email, Role, Company, Country/Region, Postal code, and Username must be unique.
3. Click sign me up, after a few min you will receive a mail from salesforce org and by using the verify account link you can create your new password.

4. Click save.
5. Search login.salesforce.com
6. By using username and password you can into the Salesforce org.
